

Rules and Regulations

(Revised December 2018)

Preface

Litchfield-By-The-Sea is a very special community that offers homeowners, renters, visitors and guests a lifestyle built around beach activities, tennis, golf and other nearby attractions. It has become one of America's finest all-season ocean resorts; attracting visitors from all over the United States, Canada and Europe. To maintain our image and appeal to people of all ages, some common-sense rules are in order for the benefit of all who live and visit this distinctive community.

Specifically, these rules and regulations are necessary and desirable for the safety and protection of all occupants and to maintain the property in good order to assure the comfort and convenience of everyone who enjoys it.

We ask that you abide by these rules and regulations in order to do your part in helping our property owner's association maintain the attractiveness and desirability of Litchfield-By-The-Sea. If we support each other in this effort, Litchfield-By-The-Sea will continue to be a source of great enjoyment for us all.

If you have a rental unit: We suggest posting these rules in your unit in an easy to find location.

Rules and Regulations

Rules and Regulations governing all common facilities at Litchfield-By-The-Sea and River Club are made by the Litchfield-By-The-Sea Board of Directors and must be adhered to by all property owners, their guests and renters. We suggest posting these rules in your unit in an easy to find location.

1. GENERAL

Each owner is responsible for the proper conduct of family members, guests, renters and service personnel. Owner(s) should be certain that they understand and observe all Rules and Regulations and those renters are advised of, and given a copy of the Rules and Regulations.

2. STAFF

The number of employees and/or maintenance sub-contractors permitted in our Budget is limited and each has a full work schedule. Only the Managing Agent or the President of the Association is authorized by the Board of Directors to give instructions to the maintenance staff.

3. SECURITY

Security is the responsibility of all LBTS residents and guests. Depending upon the situation, owners and guests are requested to notify either the Security Guard, or 911 of any suspicious people and/or unusual activities.

See the EMERGENCY NUMBERS listing on the last page. The main Guard House, at the Beach side campus, is 843-237-2451.

a. Scanned Passes

Owner issued...Owners have the ability to issue their own guest passes, via the URL that has been provided to them. The URL is user friendly and “should” be used instead of calling the guards to enter a guest request. Passes are for the use of out of town guests or a local guest accompanied by a resident. Scanned passes can be issued for a maximum of 30 days or a minimum of one day. Misuse of this could result in the loss of your ability to issue scanned passes. Please remember to properly check Beach Access, YES or No, on the scanned pass request.

b. Bar Codes

Bar codes are distributed through Waccamaw Management only and for **RESIDENTS, PEOPLE LIVING WITH THE RESIDENT OR SONS, DAUGHTERS AND THEIR SPOUSES.**

Bar codes are to be permanently fastened to the rear passenger side window. If, for some reason this cannot be done, please contact Waccamaw Management. Violations of this rule could result in a fine and loss of the bar code.

If a resident purchases a new vehicle, please bring the old bar code or pieces of the bar code, to Waccamaw Management to exchange for a new bar code free of charge; otherwise, the cost of a new one is \$25.00.

Bar codes will work in the resident's community, LBTS and River Club, to give LBTS owners access to the LBTS pool at River Club.

Bar codes are **ONLY** issued to LBTS residents or their family as outlined above. Contact Waccamaw Management if you have additional questions on bar codes and scanned passes or go to www.lbts.com for more information.

c. Vehicular Traffic

- (a) Exceeding the posted speed limit is strictly prohibited throughout the property.
- (a) Georgetown County Sheriff's Office has jurisdiction over the roads in Litchfield-By-Sea and River Club (only the roads owned by LBTS, not streets owned by the sub-associations). The main purpose of this is to control speeding and unlawful use of golf carts and other modes of transportation covered by the Law at the request of the Association. They will not patrol the roads unless requested, but they will, however, enforce all laws when observed by the officers when on the premises at the request of LBTS.
- (b) No motorcycles, trikes (three wheeled motorcycles), motor scooters (of any size), mopeds, motorized skateboards, motor homes, campers or buses, or Segway's shall be permitted on Association property. With prior permission obtained through Waccamaw Management, motor homes or campers may be on LBTS property to load or unload for a period not to exceed 24 hours.
- (c) As stipulated by the South Carolina Department of Motor Vehicles, a driver's license is required for all the vehicles in (c) above. Only persons meeting the requirements of a licensed driver may operate golf carts on the Litchfield-By-The-Sea Community Association roads. ALL golf carts are to be registered and have Litchfield-By-The-Sea stickers affixed to the left front of the cart. IF a golf cart is registered as a car, it will be issued a bar code like all other cars. Bar codes will be issued for other golf carts, provided they have a way to permanently mount the bar code to the cart.

Golf carts may not be driven after dark unless equipped with highway headlights and tail lights and may not be driven between midnight and dawn.

Golf carts driven within Litchfield-By-The-Sea must remain on roadways. Do not drive on bike paths. NOTE: the only exception is the path along Willbrook Blvd. **Gas powered ATV-type vehicles are NOT permitted on the Oceanside or River Club properties.** (With the exception of commercial landscaping vehicles.)

- (d) While it is outside our control, we strongly recommend that golf carts not be used on public roads outside of Litchfield-By-The-Sea. Local traffic conditions make the use of golf carts unsafe.

d. Parking

- (a) As a security measure, keep your automobile doors locked and valuables placed out of sight. Quite naturally, common courtesy demands that we respect the property of others and, for this reason; care should be exercised in opening car doors so as not to cause any damage to adjoining vehicles. **PARK AT YOUR OWN RISK.**
- (b) Do not block cars that are not in your party.
- (c) Parking on grass or landscaped areas, in front of driveways or in loading zones or fire equipment access areas is strictly prohibited. Parking in the circle by the Litchfield by the Sea Beach House is short term, drop off ONLY. All vehicles must be moved within ten minutes of stopping or will be subject to ticket and towing.
- (d) During certain holiday weekends, overflow parking areas will be opened and vehicles will be allowed to enter and use these areas.
- (e) At all times, a bar code must be affixed to the vehicle or a valid guest pass is on the dash board.
- (f) Some sub-associations have additional parking restrictions and it is up to each owner and guest to learn of those requirements.

4. FACILITIES

The facilities of the Litchfield-By-The-Sea Community Association are for the exclusive use of the Association members, lessees, resident house guests, renters and guests. The use of the facilities for any commercial purpose or financial gain by an Association member, lessee, guest or resident houseguest is expressly prohibited. Litchfield-By-The-Sea amenities include the pool located at the River Club, the Beach House and surrounding deck and the public dune cross over walk ways. Tennis Courts, fishing docks, Lake Osprey are additional facilities as are roads and Parking lots designated on the official map. 6. TRASH

All persons are expected to share in the responsibility of maintaining clean grounds throughout LBTS properties. All trash shall be carefully placed in the receptacles provided or taken to your residence for disposal.

7. CHILDREN

Supervision of children by a responsible adult must be exercised at all times when children are playing on the grounds, swimming in the pool, at the beach or using restrooms. Special attention should be exercised while driving within the community to ensure the safety of all children. Everywhere the Litchfield-By-The-Sea speed limit is 25 mph unless otherwise marked as a lower limit.

8. PETS

- (a) No pets shall be permitted in the Association's pool at River Club area or tennis courts.
- (b) No pets shall be permitted on any public portion of Litchfield-By-The-Sea unless carried or on a leash. Unleashed pets are subject to collection by the County Animal Shelter. Reclamation of the pet is the sole responsibility of the Owner. Georgetown County Ordinance # 2007-06 requires that all dogs must be leashed on Georgetown County beaches between 9:00 am and 7:00 pm year around.
- (c) Excessive barking of a pet or other annoyance to residents may be cause for an order by the Association to remove the pet from the property.
- (d) Pet owners are responsible for cleaning up after their pets. That includes on the public beach as well as Litchfield-By-The-Sea private or common properties.
- (e) Service and other support animals must have a license or a medical documentation

9. DUNES

Do not walk, play, sit, or lay beach gear on the dunes; use walkways to go to and from the beach.

The launching of jet skis or other watercraft is not permitted over the dunes or the cross-overs or any properties on the Oceanside campus.

There are five beach crossovers inside Litchfield by the Sea. Three are located near the Beach House. There is no automobile parking on the other two: one is located between Bridgewater and Sandpiper and one is located by Shipyard Village. Signage is in place at all locations to guide you.

It is against State Law to damage or destroy the dunes or the sea oats and grasses, which grow on the dunes. Heavy fines are levied on all persons who do not observe this law (i.e. a minimum of \$ 200.00 constitutes the State fine.)

10. FIREWORKS

Litchfield-By-The-Sea properties are designated “firework free zones”; therefore, the discharging of fireworks is strictly prohibited.

11. FEEDING WILDLIFE

The feeding of feral cats, sea gulls and other invasive wildlife is prohibited on all Litchfield-By-The-Sea properties

- (d) Glass containers prohibited on all Georgetown County beaches.
- (e) Note: Beach is “fireworks free zone”.

14. PROTECTING TURTLES (May 15 until Sept 15)

Loggerhead hatchlings (a protected species) may be disoriented by artificial lights. When loggerhead hatchlings emerge from the shell, they are attracted to the blue and green wavelengths of light which are naturally reflected off the ocean through celestial light. They use this natural light cue to navigate from the nest towards the ocean. If an artificial light source on the beach is brighter than the natural ocean horizon, the hatchlings will head towards this artificial source. The causes of these disorientations include street lights, gas station lights, city sky glow, exterior lights on commercial establishments and beach front homes. People on or near the beach carrying flashlights or lanterns and

bonfires can also disorient loggerhead hatchlings. **Please take care to turn off any lights that may disorient the turtles.**

15 ROLLERBLADING, SKATEBOARDING AND SKATES

Rollerblading, skateboarding and skating is allowed on LBTS common properties except near the Beach House to include the deck area, the circle driveway, and the parking lots.
